MISSION ACCOMPLISHED:
Because of the love and generosity of many in our church we successfully provided 103 lunches and many extras to the folks in need at the Salvation Army shelter.
Thanks to all who helped and are living the gospel this way.
For Christmas we will be helping to provide food for 81 children and their families at Our Lady of the Valley Catholic Center. Our church would like to provide 35 whole hams for their families Christmas baskets.
Help us by donating any amount you can.
Someone from our Feed 5K Ministry will have a collection container ready after each mass next weekend: December 5th. & 6st.
